

Grapolator®

CUT RESISTANT GLOVES

Grapolator® Gloves.

They don't come any tougher!

This Lakeland line of extraordinary Grapolator® gloves and sleeves offers hand and arm protection to the max. Stainless steel wire core is combined with high-strength man-made fibers to give workers an extremely effective protective glove. These gloves provide super protection from cuts, and for all their "muscle", lose no comfort or manual dexterity properties. Grapolator® gloves can be washed in hot water and hot-air dried. Use the Grapolator® around sheet metal, knives, sharp plastic edges and glass. Grapolator® gloves and sleeves are available in black, gray or blue.

Features

- High resistance to cuts
- Comfortable and lightweight
- Exceptional wet strength
- Excellent resistance to ultraviolet radiation
- Reversible for longer wear
